

Cambridge Water

Water saving game

Cambridge Water

<p>4</p> <p>Plug it</p> <p></p> <p></p>	<p>3</p> <p>One load or two</p> <p></p> <p></p> <p>Use full loads in your dishwasher and washing machine</p>	<p>2</p> <p>Shower or bath</p> <p></p> <p>One bath uses twice as much as a shower - unless it's a power shower</p>	<p>1</p> <p>What did the waterbutt say</p> <p></p> <p></p> <p>Use me to collect the rainwater from your guttering to water your plants</p>
<p>5</p> <p>Just the one cup</p> <p></p> <p></p> <p>Save water and energy - don't overfill kettles</p>	<p>6</p> <p>Flushing with success</p> <p></p> <p></p> <p>Visit our website to find out how to get free water saving devices</p>	<p>7</p> <p>Did you know</p> <p></p> <p></p> <p>Leaving the tap running when you brush your teeth can waste 4 litres every time - use a glass</p>	<p>8</p> <p>Who's a drip</p> <p></p> <p></p> <p>A dripping tap can waste enough water in a day to fill a bath!</p>

Instructions

Cut round the outside square.

Blank side up, fold the dotted lines (1) back

Turn over. Fold the dotted lines (2) over the South Staffs Water logo

Fold the square in a + and in an x
